

Contours Oasis®

4-IN-1 COMFORT CUSHION TUB

WARNING

- Check this product regularly before using it and discontinue the use of the product if it becomes damaged, broken, or disassembled. Do not substitute parts. Contact Contours if replacement parts or additional instructions are needed (1-888-226-4469).
- Always test the temperature of the water being used in the infant bath tub prior to placing baby into the product. The typical water temperature for bathing a baby should be between 90 and 100°F (32.2 and 37.8°C).

Drowning Hazard: Babies have **drowned** while using infant bath tubs and bathers.

To prevent drowning:

- **Stay** in arm's reach of your baby.
- **Never** rely on a toddler or preschooler to help your baby or alert you to trouble. Babies have drowned even with other children in or near bath tub.
- Babies can drown in as little as 1 in. (2.5 cm) of water. Use as little water as possible to bathe your baby.
- Use in **empty** adult tub or sink.
- Keep drain **open** in adult tub or sink.

Fall Hazard: Babies have suffered **head injuries** falling from infant bath tubs and bathers.

To prevent falls:

- Place tub **only** in adult tub, sink, or on floor.
- **Never** lift or carry baby in tub and/or bather seat.

Child Use Range:

- 0 - 3 Months: Newborn Recline Mode
 - Support Sling must be attached to the seat back and secured into tub handle opening before using.
- 3 - 6 Months: Infant Lounger Mode
